

M&V SITE Services

CAPABILITY STATEMENT

Serving your Industry with People and Equipment

WE SERVE YOUR INDUSTRY WITH PEOPLE & EQUIPMENT

Safety. Integrity. Accountability.

Since 2004 McV has consistently focussed on what matters to our Clients, delivering with uncompromising safety, integrity and accountability at our core.

We recognise that there are many service providers in the market, but there is only one McV and we work smart and hard to be your Partner of choice. Over time we have developed a sustainable business that exists to serve your industry, is scalable and consistently delivers tangible benefits. We experience, we learn and we embed value into our business to better serve your needs.

Company | McV Site Services

ABN | 58 116 549 743

Mackay Office | 795 Mackay Eungella Road, Pleystowe, QLD 4741

Main Office | Level 6, 360 Queen Street, Brisbane, 4000

WHAT WE DO

We enable our Clients to expand the scale and scope of their capability and capacity by providing comprehensive, efficient and cost-effective people and equipment.

PEOPLE

We provide our Clients with a convenient and reliable source of suitably skilled, qualified and motivated staff to enable optimum performance in your industry. We provide the extra capability and capacity you need to be productive in a cost-effective way.

Our purpose is to focus on excellent outcomes and performance by understanding and serving your needs hence we source and meticulously screen and assess candidates according to your specified criteria. The McV matching process guarantees that they are work-ready and can be immediately productive for your site. We take safety seriously, are fully compliant with Fair Work Australia and our rates include overheads including payroll tax, insurance and superannuation.

Our industry leading digital management system captures all relevant information, evidence of specified qualifications and licences and gives easy access and full visibility to each of our Clients.

SCOPE & SPECIALITIES

McV Site Services provide trades, operational, professional, administrative and other specialised resources to fulfill our Customer requirements. Across multiple industries we are the trusted provider of choice whether for short, long term or relief workers, for office based expertise or hands on at the coal face or in the field.

The scope of our activities includes but is not exclusive to:

- ✓ Ancillary
- ✓ Compliance Inspection
- ✓ Cranes and Lifting
- ✓ Drag Lines
- ✓ Electrical
- ✓ Facility Management
- ✓ Field Service
- ✓ Fuel systems
- ✓ Light Vehicles
- ✓ Medium Vehicles
- ✓ Mobile
- ✓ Pumps
- ✓ Radio Communications
- ✓ Safety
- ✓ Water Management

EQUIPMENT

We have built extensive knowledge of both general and specialist equipment and work smart and hard to deliver exceptional value every time. Safety, reliability and functionality drive the McV equipment provision to your industry.

The McV approach provides you with the assurance that all our equipment is maintained at its optimum operating level and is ready to go. The industry leading McV digital management system makes locating equipment easy with full visibility of records demonstrating robust preventative maintenance programs for all our equipment and demonstrates how all of our equipment is maintained at its optimum operating level and is ready to go.

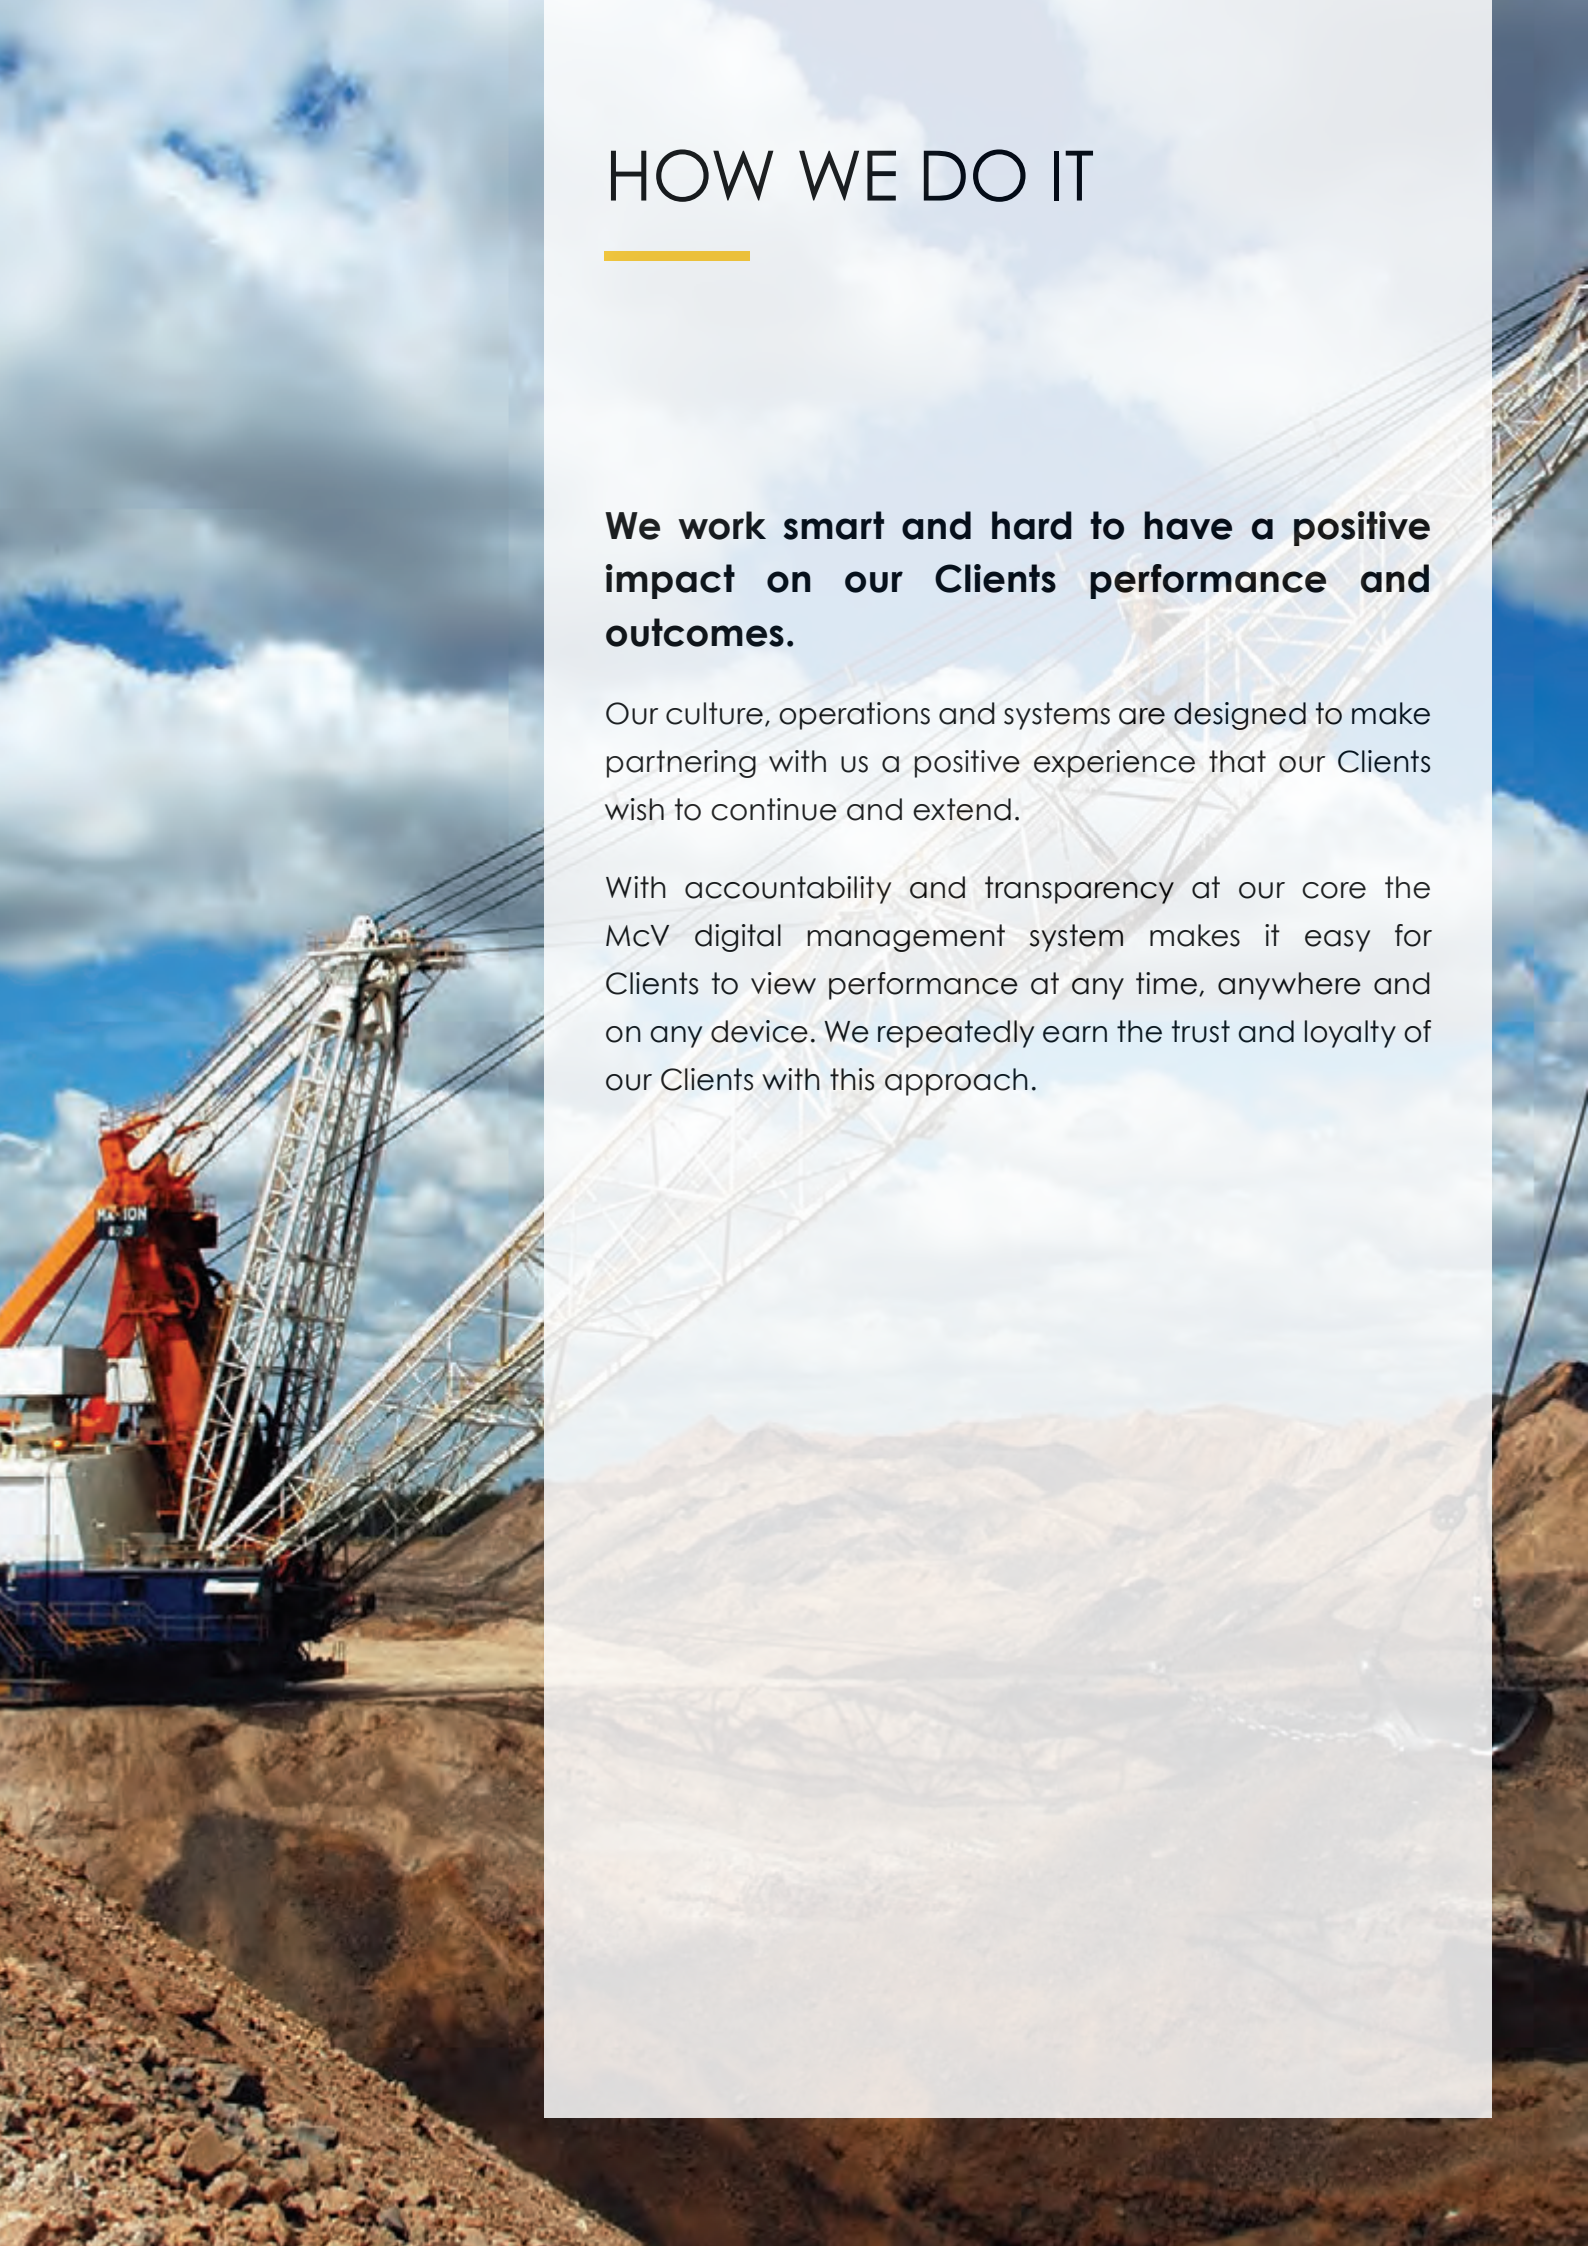

HOW WE DO IT

We work smart and hard to have a positive impact on our Clients performance and outcomes.

Our culture, operations and systems are designed to make partnering with us a positive experience that our Clients wish to continue and extend.

With accountability and transparency at our core the McV digital management system makes it easy for Clients to view performance at any time, anywhere and on any device. We repeatedly earn the trust and loyalty of our Clients with this approach.

VISION & MISSION

McV aims to be your valued provider (or Partner) of choice, working smart to serve your industry with people and equipment.

- ✓ We will provide optimum people and equipment solutions, enabling our Clients to be productive. We work hard to make your job easier. Your success is our business.
- ✓ We will earn the trust and loyalty of our Clients and People by delivering value every time.
- ✓ We will build expertise in your business to add value for your full and continued satisfaction.
- ✓ We will stay true to our core values, building a company that our Clients and People are proud to associate with:

SERVICE

Your success is our business. We are dedicated to serving you to that end (with expert, results focused solutions for positive impact on your business).

SAFETY

We remain uncompromising in safety. Safety is embedded in our culture, operations and systems.

INTEGRITY

We uphold the highest value of integrity in all our actions. We are honest, transparent and own our outcomes.

ACCOUNTABILITY

We are accountable for delivering on our commitments. We provide full transparency through our digital management system, for Client assurance and trust.

SMART

We work Smart and Hard. We strive for continual improvement, finding better ways to deliver tangible value to our Clients and People.

SUSTAINABLE

Our business is based on enduring, credible and valued relationships. Our point of difference is the service value embedded in the business through our culture and digital management, so that our services are consistent, repeatable and scalable

PEOPLE MATTER

We value our people, encourage their development and reward their performance.

WHO WE DO IT FOR

We thrive because of our Clients. We provide complete solutions across a number of industries including Agriculture, Construction, Mining, Energy, Utilities, Marine and Rail.

We exist to serve your industry with people and equipment that have a positive impact on your performance.

Our clients each have their own specific situation, requirements and conditions and we work hard to build enduring relationships based on the delivery of tangible benefit.

We focus on building industry specific expertise so that we can tap into the depth of experience from our team to bring you the best possible specialised services.
